THE HIPPOCRATIC OATH

I do solemnly swear by that which I do hold most sacred:

That I will be loyal to the profession of medicine and just and generous to its members;

That I will lead my life and practice my art in uprightness and honor;

That into whatsoever house I shall enter, it shall be for the good of the sick to the utmost of my power, I holding myself aloof from wrong, from corruption, from the tempting of others to vice;

That I will exercise my art solely for the cure of my patients, and will give no drug, perform no operation for a criminal purpose, even if solicited, far less suggest it;

That whatsoever I shall see or hear of the lives of men which is not fitting to be spoken, I will keep inviolably secret.

These things I do promise and in proportion as I am faithful to this oath may happiness and good repute be ever mine-the opposite if I shall be forsworn.

(This is the oath of Hippocrates modified by the late Professor John G. Curtis

ALMA MATER

The Palisades

Duncan M. Genns '00

Members of the Candidates Procession and the Platform Procession should stand for the Alma Mater.

O grim, grey Palisades, thy shadow
Upon the rippling Hudson falls,
And mellow mingled tints of sunset
Illuminate our classic halls;
While students gather 'round thy altars
With tributes of devotion true,
And mingle merry hearts and voices
In Praise of NYU.

RECESSIONAL

Rondeau

Jean-Joseph Mouret

Members of the Candidates Procession and the Platform Procession will participate in the Academic Recessional. Guests are requested to remain seated until both groups have departed the auditorium.

RECEPTION

Immediately following the Ceremony, a Reception in honor of the Class of 2017 will be held in the Morgan Stanley Lobby and Grand Foyer .

KEYNOTE SPEAKER

Larry A. Silverstein is the Chairman of Silverstein Properties, Inc., a Manhattan-based real estate development and investment firm that has developed, owned and managed 40 million square feet of office, residential, hotel and retail space. The firm currently has \$10 billion worth of development activity in the pipeline and has been recognized as one of the “Best Places to Work in New York City” by Crain’s New York Business for eight years in a row.

In July 2001, Mr. Silverstein completed the largest real estate transaction in New York history when he signed a 99-year lease on the 10.6 million square foot World Trade Center for \$3.25 billion, only to see it destroyed in terrorist attacks six weeks later on September 11, 2001. He is currently rebuilding the office component of the World Trade Center site, a \$30-billion project that will consume the balance of his working life.

A 1952 graduate of New York University, Mr. Silverstein served as Vice Chairman of the NYU Board of Trustees, where he continues to serve as a member. He is also on the Board of Trustees of the New York University Langone Medical Center. He is the Founder and Chairman emeritus of the advisory board of the NYU Real Estate Institute. As a Professor of Real Estate, his “Silverstein Workshop” became one of the most attended and informative educational sources for learning real estate development and investment analysis.

Mr. Silverstein contributes his time and resources to organizations that are committed to higher education and medical research, meeting humanitarian needs and supporting the arts. He has served as Chairman of the Board of UJA-Federation. He is a founding trustee of the Museum of Jewish Heritage in New York and has served as treasurer of National Jewish Health in Denver.

Mr. Silverstein currently serves as a board member of the New York Philharmonic. He is a classical music enthusiast, a passionate yachtsman and a dedicated New Yorker. Larry and Klara Silverstein have been married for 61 years and have three children and one son-in-law, three of whom are executives at Silverstein Properties, and they also have eight grandchildren.
